

SUMMER CAMP INTENSIVES 2021

As the end of the school year approaches, we turn our attention to our summer programs. After years of working with children, we know that over the summer many students lose part of the educational gains they had made during the year. For years we have offered summer programs to help our student maintain all of their gains and even increase their academic levels further.

As in the past, we will continue to offer one-on-one programs in the homes of the students, as well as a series of 2-week Intensive Skills Camps. This summer, our programs will run from:

May 1	to	Jun. 4
Jun. 7	to	Jun. 11
Jun. 14	to	Jun. 18
Jun. 21	to	Jun. 25
Jun. 28	to	Jul. 2
Jul. 5	to	Jul. 9
Jul. 12	to	Jul. 16
Jul. 19	to	Jul. 23
Jul. 26	to	Jul. 30
Aug. 2	to	Aug. 6
Aug. 9	to	Aug. 13
Aug. 16	to	Aug. 20
Aug. 23	to	Aug. 27
Aug. 30	to	Sep. 3

Our camp programs provide a positive experience in developing the educational skills of each student, while encouraging a sense of enthusiasm and the building of self-esteem. Students will improve their reading, spelling, and written language through our Orton-Gillingham approach. They will see gains in math through our multi-sensory techniques and will develop life-long organizational and study strategies.
